* * * Parish Census Update * * *

The Census committee wishes to thank the 650 families who have verified their re-registration forms. However, there are still over 1500 families who have not helped with this effort. To simplify your participation, please complete the blank registration form below and bring it with you to Mass next weekend; or you will be given a form and asked to complete it in your pew [we will provide pens] prior to the beginning of Mass next weekend. The form may be returned to the containers located in the rear of church either before Mass or as you exit the Mass later. This direct appeal is done to save the parish unnecessary mailing expenses. We thank you for your cooperation. **The Parish Census Committee**.

Light of Christ Parish

The Parish is currently updating its registration files and requests you to complete the following information **even if you are already a registered parishioner.** Dates of birth and the sacraments will assist us with our pre-school and CCD requirements for school age children and, in the case of seniors, for determining who receives invitations to our annual Mass of the anointing and other special events like the senior health fair.

Thank you for helping us with this effort. Please complete this form and return it to the containers in back of church.

The Very Rev. Jacob Monteleone, Pastor
